Re: Docket No. 2008-0273: Feed-in Tariffs Investigation

Honorable Chairman and Members of the Commission:

On behalf of Blue Planet Foundation, this is to request the Commission to disregard Blue Planet Foundation's Comments on Informal Drafts of Proposed Tiers 1 and 2 Tariffs filed December 15, 2009 ("Comments") in the above-referenced matter. Although all parties timely received a copy of the Comments by electronic mail in conformance with the procedural schedule, the document was also inadvertently filed with the Commission and should properly be disregarded insofar as the procedural order does not contemplate filing of the document with the Commission. Thank you for considering this request. This letter is being served on the date of this letter by electronic transmission to all parties on the service list in this docket.

Thank you for your attention to the foregoing.

Very truly yours,
